3. [REDACTED] was recommended for the Program [REDACTED] and subsequently interviewed by [REDACTED] both of whom considered him a most impressive candidate. I also interviewed him and found him to be highly articulate, perceptive, intelligent, motivated, naturally inquisitive, and knowledgeable of the role of intelligence in the formulation of U.S. foreign policy. He was most coherent in describing his motives for seeking a position with CIA and expressed a strong preference for research and analysis.
